Strawberry Point City Council
Regular Meeting September 20, 2017

The Strawberry Point City Council met for a regular meeting on Wednesday, September 20, 2017 at 7:00 p.m. at the Council Chambers of City Hall. Mayor Bente presided and led the Pledge of Allegiance. Council members answering roll call were Rowcliffe, Evans, Johnson, Kuehl and Hansel.

Evans made a motion to approve the agenda as presented. Hansel seconded the motion. A roll call vote was taken. Ayes: Rowcliffe, Evans, Johnson, Kuehl and Hansel. Nays: None. Motion passes.

CONSENT AGENDA

Minutes from September 6th

Claims

Additional Claims

Kuehl stated there was an error on the September 6th minutes. The last sentence of the Unfinished Business section should state "Kuehl also noted that he would also be interested in seeing library budgets from comparable size libraries in an effort to ensure that the City is providing the library with a realistic budget to work with." Johnson moved to approve the consent agenda with the additional claims. Kuehl seconded the motion. A roll call vote was taken. Ayes: Evans, Johnson, Kuehl and Rowcliffe. Nays: None. Abstain: Hansel. Motion passes.

UNFINISHED BUSINESS

INFORMATION

Council inquired about the "Final" accounts on the July/August Delinquent list. City Administrator Osweiler stated that there have been a large number of accounts closed – people either moving from or moving to another residence within the City. City Hall staff will be looking at writing off the oldest accounts when the appropriate time arises. They will also pursue trying to re-coup some of the money for certain accounts via income offset, if possible. Council had no questions on the Strawberry Point Park and Recreation Board minutes from August 28th.

NEW BUSINESS

Council reviewed the 2017 City Street Financial Report and the associated Resolution 17-09 approving the report. Evans made a motion to approve Resolution 17-09, a resolution approving the 2017 City Street Financial Report. Kuehl seconded the motion. A roll call vote was taken. Ayes: Johnson, Kuehl, Hansel, Rowcliffe and Evans. Nays: None. Motion passes.

Council reviewed a document from Vision Service Plan, the provider of the City's employee vision benefits. The rates would increase by \$0.42 for a single employee rate (which is the only cost covered by the City). Evans made a motion to approve the renewal of the City's contract with Vision Service Plan. Hansel seconded the motion. Ayes: Kuehl, Hansel, Rowcliffe, Evans and Johnson. Nays: None. Motion passes.

Council heard from Heather Klingman from the Berry Tender Child Care Board. Klingman stated that the board was interested in putting a sign up on the Civic Center building to indicate where Berry Tender is located. Klingman previously consulted with City Hall staff to determine if there were any legal issues. Osweiler stated that the city attorney indicated that placing a sign on a city owned building would not be an issue. Council and Klingman discussed placement of the sign. Kuehl made a motion to allow Berry Tender Child Care to place a sign on the Civic Center building. Johnson seconded the motion. A roll call vote was taken. Ayes: Hansel, Rowcliffe, Johnson and Kuehl. Nays: None. Abstain: Evans. Motion passes.

Council reviewed four requests from the Strawberry Point Chamber of Commerce. Request 1) Host annual pumpkin walk activities at the fire station. Request 2) 2017 Veterans Days parade & celebration. Request 3) Strawberry Days 2018, June 8th, 9th, 10th. Request 4) Creation of a portable, vertical strawberry patch would be moved to location for easy community view to promote Strawberry Days. Evans moved to approve the requests from the Strawberry Point Chamber of Commerce. Johnson

seconded the motion. A roll call vote was taken. Ayes: Rowcliffe, Evans, Johnson, Kuehl and Hansel. Nays: None. Motion passes.

Council heard from the Strawberry Point Ambulance Board. They addressed the Council regarding the status of their T & A and Capital Equipment account, as well as their upcoming need for a new ambulance. For the past few years, the usual transfer of funds to the ambulance T & A account has not occurred due to the ending balance of the General Fund. The Board identified that they are a self-sustaining department and come in consistently under budget. While they understand the issue the City is currently facing with the General Fund, they are asking the Council for additional consideration for their T & A account. There was much discussion on how this might be possible, such as a monthly deposit to the account rather than waiting until the end of the year to make the transfer. Ultimately the Council requested the City Administrator and the Council liaison to the Ambulance Board meet with the Board to discuss some options and come back to the Council by the November 1st Council meeting.

Council heard from a representative from the Strawberry Point Firefighters Association. They discussed the desire to build a new fire station in town and the means to build the fire station. The Association estimates the proposed building would cost approximately \$800,000.00. In their proposal, the land, which is currently owned by the City, would be sold to the Association. The Association would secure a \$500,000.00 loan. The remaining funds would be secured through fundraising efforts held by the Association. The building, once complete, would be leased by the City. The lease payment from the City would in essence cover the loan payment for the Association. The Association proposes that there be an initiative placed on an upcoming ballot (their preference would be a Special Election in March 2018) to change how the LOST funds are allocated. Current allocation of LOST funds, or Local Option Sales Tax funds, is 33 1/3% goes towards Economic Development office of the Strawberry Point Development Fund, including but not limited to salary and benefits. The remaining 66 2/3% is retained by the City for repairs, maintenance and/or improvements to streets, sewer systems, and/or water system; and/or general obligation debt. The current allocation was on the ballot in 2005 and passed by a majority vote. What the Association is proposing would change the 33 1/3% allocation from Economic Development to service the loan for the new Fire Station. After further discussion, some Council felt that they did not have enough evidence that changing the LOST funds allocation would be in the best interest of the City. A citizen present mentioned that all citizens need to understand what they would be giving up (money funding an economic development director position) if they voted to re-allocate the LOST funds. Council suggested that the Association hold a community meeting to make citizens aware of what the Association's intentions are with the building and a possible ballot initiative. Council also expressed interest in having the City Administrator work with the City Attorney and Bond Counsel to determine the implications for the City in entering into this type of lease agreement. The topic will be revisited at a later date.

OTHER BUSINESS

City Administrator Osweiler discussed that she had been contacted earlier in the day regarding a cost estimate for work needed on the switch gear at the City's generation plant. Council agreed to review and vote at the next meeting.

The City had also been approached by the Clayton County Emergency Management Coordinator, Sarah Moser to update information regarding the location of an emergency shelter should the need arise. Council stated that the Civic Center and the basement City Hall have always been the designated places in the past.

With no further business, Rowcliffe moved to adjourn at 9:00 p.m. Evans seconded the motion. Motion passes.

**Strawberry Point Library Board Meeting Minutes
Tuesday, August 22, 2017**

The meeting was called to order at 6:05 pm on Tuesday, August 22, 2017

Members Present: Sarah Cummer, Todd Walter, Vickie Schmidt, Marjorie Lewis, Jason Martin-Hiner, Ann McCullough

Members absent: Jason Klett (excused)

Vickie Moved the minutes be approved as read. Jason Martin-Hiner seconded the motion. The minutes were approved as read.

Expenditures and Memorial money were reviewed Ann McCullough made a motion to approve the bills as presented. Sarah Cummer seconded the motion, all ayes.

- Money for lost books was discussed. The board feels replacement of books lost or damaged by patrons should not go against our budget. Money specifically for book replacement due to loss/damage by patron will be deposited into the Memorial Fund and a check written from that fund to cover REPLACEMENT BOOKS, and other media. New books for collection growth or replacement due to general wear will continue to come from the general budget to be tracked/audited for Library accreditation.
- A deposit will be made into the Memorial fund tomorrow (8/23/2017).

The Librarian's report was read. Circulation Report: there were increases in the areas of Fiction and Non-fiction. Increases also noted in use of the Grandma Boxes, DVD, CD and Young Adults.

- Checkouts were down by 155, Visitors increased by 341. Children's Programs 9 with 303 present, Adults 13 with 69 attending Room use 3 with 54. Reference questions answered-109,
- Volunteer hours: 69.25 hours.
- Routine Programs: Sit N Knit, Swedish Weavers, and cards are going really well. Writers Group, Art with Ann, movies (Children's and Adult Movies started in August and will be the second Thursday of each month. After school crafts and programming will restart. The Friendship Grant is an intergenerational craft one time/month.
- Upcoming Events: Movie for upcoming adult movie day: The Shack. Story time will restart with the school schedule, with a once monthly after school craft.
- Information: Memorial money from Strawberry Point High School class of 1957, in memory of deceased classmates (bookplates)

Old Business: Patty reminded the board we need to start looking at Long Term Goals. She will try to have a couple of examples written up by our next meeting. One example we have discussed includes more community interaction/involvements, such as potluck in the park and a goal regarding cultural events or displays. Patty asked board members to be thinking about it for next meeting.

Strawberry Point Library Board Meeting Minutes
Tuesday, August 22, 2017

New Business: Appoint new officers. Marjorie proposed keeping the same officers for another year. Vickie seconded the motion all ayes and motion was approved officers will remain the same.

- President—Sarah Cummer
- Vice-President – Jason Klett
- Secretary – Ann McCullough

Conversation took place regarding Budget Cuts. The decision was made to close at 5:30 p.m. every night but Tuesday. Tuesday would close at 6:30 pm to accommodate a group that has contracted to have the room until 6:30. Patty checked into other options such as cutting every other Saturday. This would make us lose our accreditation which is not an option. The approximate savings for these actions would be about \$2,488.20 annually. Patty's hours will be reduced from 40 to 38 as well. Jason Martin-Hiner moved to adjust library hours as discussed, with changes taking place as of 9/1/17, thereby reducing staff hours and adjusting part time schedules accordingly thus causing the least interruptions and service to our patrons and community as possible while trying to meet the new budget seconded by Vickie Schmidt and all ayes.

Patty asked for direction regarding her search for grants. Many have been eliminated because they require matching funds. Questions: If we do a fundraiser, can we use proceeds as a match for a "matching funds" grants or specific groups or areas. Fund raising doesn't help with the general budget, as it will need to go where designated or used to purchase library items. If we raise more than the revenue on our budget will we be allowed to keep this? This question will have to go to the council for approval.

A carnival fund raiser was discussed, with a possible date in October. Other community and area activities already scheduled will have to be taken into consideration. Patty will continue developing the plans and activities.

Letters will be going out to banks in the area regarding donations to purchase books.

Information: Patty used her credit card for Walmart purchases as the city card would not work. Patty contacted Sarah to let her know. The card did work at the next store for lightbulb purchases. This is not in this month's bill. It will be in next month.

Library Board missed attending the Council meeting due to a misunderstanding about the date.

In a conversation between Alison and Patty, Alison confirmed fees for late payments on bills submitted to the city for payment in a timely manner would be paid by the city.

Next Library Board Meeting will be September 19 at 6:00 p.m. at the Library.

Strawberry Point Library Board meets on the third Tuesday of each month at 5:30 p.m. Public and City Council are welcome to attend.

Strawberry Point Tree Board 2016 – 2017 Annual Report

The Strawberry Point Tree Board had another successful and productive year for the fiscal year ending June 30, 2017. As required, the board met monthly with the exception of June 2017 and December 2016 which had no meetings. Two meetings were held in the months of May 2017 and November 2015 to better plan for and implement the 2017 planting project. Strawberry Point applied for and received a Power of Trees grant in the amount of \$500 from Trees Forever/Black Hills Energy to support the purchasing of trees to plant within the community. This grant was matched with funds from the city budget. Together this allowed the board to purchase and plant an additional 20 trees within the community. Money from the city budget was also used for the management of the city's urban forest.

Current Tree Board members are: Mike Tucker (Chairman), Don McCullough (Secretary), Jen Dull, and Luke Dement. The Tree Board still has an opening for one additional board member and has been actively pursuing community members for the position. The Tree Board would like to thank the City Administrator, City Superintendent, City Council, and Mayor for their continued support and assistance over the past year.

The annual city Arbor Day celebration and tree planting was held on Saturday, May 6, 2017. All four members of the Tree Board participated in the project. Starmont FFA sponsor Rachael Stecklein and 8 members of the Starmont FFA chapter volunteered to plant the 20 trees. 10 trees were planted at 8 residential sites within Strawberry Point. In addition, Campbell Park received trees to replace trees damaged by deer or storms. Eight different species of trees were planted this year. As recommended by Trees Forever, the board continues to vary the species of trees selected each year with the goal of diversifying the city's urban forest.

Strawberry Point applied for and was awarded the Tree City USA designation for calendar year 2016. It was the city's 22st year of selection for this designation. We continue to update our master tree planting inventory. With the addition of this year's trees, the list now stands at 855 trees planted within the community since the program was initiated. Required reports to the Power of Trees program and the Strawberry Point City Council were submitted.

Tree Board concerns that arose this year included the difficulty in finding additional members to serve on the board. Another concern was the lack of planting sites available due to greater restrictions on where trees may be planted.

Mike Tucker and Don McCullough attended an informational meeting in Elkader on the Emerald Ash Borer. This was organized by the Iowa State Extension office. This information will be brought before the council sometime in the fall of 2017. The Emerald Ash Borer has been found in Clayton County and in Oelwien, Iowa. It is only a matter of time before it is found in Strawberry Point. The Tree Board continues to monitor the number of confirmed cases while starting to develop a "plan of attack".

The Tree Board continues to provide mulch rings for newly planted trees. They also continue to manage the city's urban forest through reviewing and approving requests for pruning, trimming, and removal of trees. The board has a short list of trees on an annual review list that continue to be inspected on a yearly basis.

In summary, the board will continue its mission to review tree removal and trimming requests, evaluate the health of city trees, complete administrative paper work, and keep the Strawberry Point City Council, city administration, and citizens informed of the board's activities.

Respectfully submitted on Sept. 20, 2017
Mike Tucker, Tree Board Chairperson
