

Strawberry Point Community Meeting
March 27th, 2017

The City of Strawberry Point hosted a meeting at the City Civic Center located at 401 Commercial Street. The intent of the meeting was to discuss the present issues the City has been having at the civic center and hoped to draw volunteers during the meeting.

Since there were enough City Council members present to form a quorum, the Mayor called the meeting to order at 7:01pm. Council member Kuehl lead the meeting. Mayor Bente, Council members Kuehl, Johnson, Hansel and Rowcliffe were present along with City Administrator Osweiler. There were three members of the Berry Tender Daycare Board & Staff present and one citizen present.

Council member Kuehl gave a brief summary of the events that lead up to Community Meeting. Since the meeting had little to no attendance from the community, the meeting was closed and no changes were going to be suggested to the Council based on the events of the meeting.

With no further business, Rowcliffe moved to adjourn at 7:27 p.m. Kuehl seconded the motion. Motion passes.

Alison Osweiler, City Clerk/Administrator

Jeff Bente, Mayor
